

GREATER NEW JERSEY SOCIETY for
HEALTHCARE FOOD SERVICE ADMINISTRATORS
A chapter of the Association For Healthcare Foodservice

February 5, 2012

Dear Member,

For over 30 years, the Greater New Jersey Society for Healthcare Food Service Administrators (GNJSHFSA) has worked hard to bring its members value and resources. Membership in GNJSHFSA offers annual educational seminars, networking events; celebratory dinners and resources to help guide you through the many changes in our industry. GNJSHFSA provides many of these robust programs at no cost to our members.

Over the course of the last few years, our costs have gone up considerably. We have been effectively managing these costs in an effort to minimize their impact on our members. In as much as we have been successful in doing so, the GNJSHFSA has not had a membership fee increase in many years.

Effective April 1st, 2012, there will be an increase in the annual membership fees. In an effort to make this transition as seamless as possible, we will honor the 2011 membership fees of \$75 (Active Operator) and \$150 (Allied/Vendor Member) until March 31st, 2012.

The new fee schedule effective April 1, 2012 is as follows:

Active Member	\$95
Allied/Vendor Member	\$175
Vendor Partner	\$1,500

It has been our pleasure to serve you thus far, and we look forward to continuing our success for years to come.

Michael Atanasio
President 2012
